ELIGIBILITY

Monohull boats with length over all greater than 9.40 m (LOA) with inboard engine.
Division OPEN, according to length over all (LOA).
Division ORC, Boats having a current and valid ORC club rating certificate for 2009. are eligible to compete in an additional ORC division, apart from main OPEN division.
Division IRC, Boats having a current and valid IRC rating certificate for 2009. are eligible to compete in an additional IRC division, apart from main OPEN division.
Not eligible - Boats with hiking trapezes, sliding platforms and platforms which are not part of hull construction.
Eligible are skippers and crews, members of their national sailing federations. Skippers must be members of national federation at least for two years. All crew members must be verified by their national sailing federations.
Length over all measurement (LOA):
The straight line measurement from the foremost part of the boat to the aftermost part of the boat, measured parallel to the centerline and to the design waterline. Integrally formed, molded, or welded components and appendages, such as bow pulpits, swim platforms, attachment structures for the propulsion systems, and structural rub rails installed by the builder are included in the length. Attached bowsprits, pulpits, boomkins (bumpkins), rudders, sails, outboard brackets, handles, railings, and other similar attached extensions are not included in the measurement.
Length over all is criteria for boat divisions, and LOA stated in IMS or IRC certificate is acceptable. Owner or skipper has to provide LOA in entry form and sign with respect to RRS 69.
